

August 2020

Let us Entertain You!

The Orangeville Community Band would like to welcome you to a sensational sensory experience. Our concerts will bring delights to all ages. You will feel exhilarated, contemplative, and effervescent. Celebrate with us as we invite participation from our audience – join in and sing with us, imagine an epic adventure with us, and play with us! Guest artists will enthrall you with comedy, beauty and charm.

As a Registered Charitable Organization, we will only continue to thrive with generous support from donors & local businesses. Rental of rehearsal space, insurance, repertoire, and concert costs yearly need to be covered. Our mandate is to provide educational programs, create community, and produce quality culturally enriching programs for Orangeville and the surrounding area. Please consider becoming a donor, and attend one or more of our lively concerts.

This coming season is aimed to delight you! We have great local musicians and entertainers. Come support Orangeville's own Concert Band!
